

Amine BAJJI | Full-Stack Developer

Kenitra, Morocco | amine.bajji.dev@gmail.com | +212 622 256 270 | +212 751 781 644

Profile

Full-Stack Software Developer specializing in **React, TypeScript, Spring Boot, and secure REST APIs**. Experienced in designing scalable, real-world systems with a strong focus on clean architecture and security. Recognized for clean architecture, analytical problem-solving, ownership, and clear cross-team communication

Professional Experience

Full-Stack Developer Intern, Portnet, Casablanca Morocco

Aug 2025 — Nov 2025

- **Responsibilities** : Full-Stack Software Development.
- **Achievements** : Developed a full ticketing management system with a React + TypeScript frontend and a secure Spring Boot backend using JWT authentication with refresh token rotation. Implemented a multi-database design separating authentication and business data, supported by complete logging and audit trails. Built dynamic, data-driven UI components using MUI and Highcharts for analytics and dashboards. Integrated SMTP email notifications and reCAPTCHA v2/v3 to enhance reliability and security across the platform.
- **Strengths Acquired** :
 - Architect full-stack systems with scalability, reliability, and maintainability in mind.
 - Solve complex problems through analytical thinking and proactive design.
 - Take ownership of projects, collaborating effectively to align technical solutions with business goals.
 - Continuously learn and adapt, refining skills in modern frameworks, security, and system architecture.

Customer Service Agent, Majorel, Casablanca Morocco

Mar 2023 — Oct 2023

- **Responsibilities** : Customer Service Relations & Communication.
- **Achievements** : Provide efficient customer support by handling inquiries, diagnosing and resolving incidents, escalating complex issues, updating tickets, and ensuring clear communication to maintain service quality and customer satisfaction.
- **Strengths Acquired** :
 - Clear and empathetic communication
 - Analytical problem-solving
 - Organization and resilience
 - Collaboration and continuous improvement

Front-End Developer Intern , KIOMA MEUBLE, Kenitra Morocco

Jun 2022 — Jul 2022

- **Responsibilities** : Front-end Web Development & Graphic Design.
- **Achievements** : Created a Landing Page for a website under WordPress with the goal to present the activity of the company, the addition of Information (contact details, previous projects, contact information). As well as the design and creation of a logo for the website.
